

Sunday School Teacher Meeting

December 16, 2018

Any victories, stories or issues?

- Midlife Professionals - The Prines, the Hiles and other folks connecting to Sunday school

Reminder to get Jon the names of your outreach team

- At least two outreach folks for every adult class
- In January Wednesdays will be 15 minutes of training and then 45 minutes to hour of visiting

How is your class structure going?

Do you have someone helping with the...

- Inreach? (Care givers)
- Outreach?
- Fellowship
- Missions and ministry? (Have groups share the ministries they are doing right now)
- Room setup and welcome?
- Are you building up an assistant teacher?

Remember the Christmas season and New Year are a great excuse to reach out to folks on your rolls that haven't been in a while -

- Let them know about class Christmas parties or outings
- Let them know about church wide events (Handbells service on Monday night, etc)
- Ministry projects your class is involved in

Curriculum:

- Keeping everyone on the Explore the Bible Disciples Guide (my talk with Mindy Jordan re: small group material) planning for the rhythms in the year
- Please make sure to complete your curriculum order form as soon as it comes to your basket.

Teaching Thought - The ME-WE-GOD-YOU-WE Teaching Flow

- **ME** (Identify) This is something I struggle with...
- **WE** (Build tension) But really, don't we all?...
- **GOD** (Lead to Scripture) Does God say anything about how to address this?
- **YOU** (Application) What does what God says mean for you?
- **WE** (Cast the Vision) What if we all did this as a church? What if you did this for your spouse, your family, your co-workers?...What would that look like? What impact would it have?

We'll be rolling out the 3D Spiritual Growth Strategy to the whole church in the new year.
